

HELPING OUT.

We are proud to have strong partnerships with several members of our community. Please consider reaching out to us on behalf of your organization or event so we can build a relationship and perhaps help you out! Unfortunately we cannot help out everyone (as much as we'd like to!) so please be as descriptive as possible when submitting your application and submit it as early as possible (30 days prior to event is ideal).

We cannot legally donate in any capacity that may promote our brand to children. We are required to ensure that all donations are directed toward, and only received by, adults of legal drinking age. This does not mean our donations cannot help kids out - just that we cannot promote to them, and obviously we must ensure that children are not be able to obtain alcohol.
