

# COVID-19 SAFETY PROTOCOLS

## ELIMINATION OF HARARDS

- 50 customers maximum. May be less depending on weather and available separate seating.
- Off-sales will be prioritized. This is to encourage as few people in lines as possible.
- No bar seating will be available.
- Spaced out tables, 2 metres distance between chairs.
- 6 customers per table maximum.
- No sharing tables outside your group.
- No flights will be served - 12oz, 14oz, 17oz and 20 oz available.
- Glassware collection bins to encourage self bussing tables.
- Current menus online for customers to make ordering decisions before approaching the bar.
- Tables will be kept clear of any unnecessary items including menus and napkins.
- Right to refuse service for any safety reason such as table-hopping or not following direction.
- Food will temporarily not be served. Outside food continues to be welcome.
- One-way flow through doorways.
- Outdoor sink and soap available for hand washing without entering the restrooms.

## PHYSICAL CONTROLS

- "Please Wait to be Seated" sign at the front door. Staff will ensure a sanitary table and chairs.
- Plexiglass at the till to protect customers ordering and staff working the till.
- Floor Markings to direct customer flow.
- Extra signage encouraging proper hand washing, social distancing, and right to refuse service.

## SERVICE CONTROLS

- Sanitizer available throughout the lounge.
- Sanitizing all tables and chairs between customers.
- Frequent sanitizing of frequently touched areas.
- Restroom cleaning log.
- Mandatory hand washing between any change in task for staff.
- Request contact information from one person per group for possible contact tracing if ever required (voluntary for privacy concerns but encouraged because it is just a good idea).

## PERSONAL PROTECTIVE EQUIPMENT (PPE)

- Gloves and masks available for staff as needed/desired but are not considered mandatory for most tasks within a lounge.
